## **BE THE OPEN DOOR FOR THE REMAINING SHIFTS IN 2021**

**Patricia Cota-Robles**  
**[www.eraofpeace.org](http://www.eraofpeace.org)**

**November 3, 2021**

The Company of Heaven never gives us information that may cause concern or fear just for the sake of exposing possible events. The only time the Beings of Light ever reveal information to us that may seem challenging or even ominous is if we have the *awareness* and the *ability* to rise above it and to actually help minimize the adverse effects of the situation. This is one of those times.

With the monumental shifts of energy, vibration and consciousness that have taken place within the Earthly experiences of Humanity, the Elemental Kingdom and Mother Earth so far in 2021, the way has been paved for a greatly accelerated purging of our obsolete paradigms. The Beings of Light said this specifically involves the dismantling, the crumbling away and the dissolving of myriad social structures that have manipulated, controlled and suppressed the masses of Humanity for aeons of time.

All of these negative patterns and structures have been held in place through the fear-based consciousness of separation and duality. This distorted level of consciousness manifests through the behavior patterns of greed, corruption, the

abuse of power, hatred, ignorance and the willingness to respond with violence. All of which are void of Love.

The fact that these grossly mutated structures which have caused so much pain and suffering for Humanity, the Elemental Kingdom and Mother Earth are now being dismantled at an accelerated pace is actually wonderful news. This is an essential facet of Earth's Ascension process. There is no place for these obsolete paradigms on the New Earth. They must be dismantled and the oppressive energy that has sustained them must be Transmuted into Light in order for the Heart-based patterns for the New Earth to manifest tangibly in our Earthly experiences.

The only reason this process seems so scary for people is because these grossly mutated social structures have manipulated and suppressed Humanity for aeons of time. In the vast majority of cases, they are all we have ever known. Even though they are painful and in no way enhancing the quality of our lives they are familiar. For many people the fear of the unknown and what might replace these obsolete paradigms seems more terrifying than the oppressive structures themselves. Consequently, many people are fighting tooth and nail to go back to the way things were and to maintain the status quo. The Beings of Light said this is a futile effort. We are moving forward in the Light. The question is are we going to do this the hard way or the easy way? The choice is up to us.

The fear that is manifesting around the World at this time is being exacerbated by misinformation and deliberate deception from those who are determined to cling to power at all costs. These misguided Sisters and Brothers are only succeeding with their nefarious efforts because the vast majority of people have not Awakened effectively enough to perceive the wondrous patterns of perfection for the New Earth that will replace the obsolete 3<sup>rd</sup>-Dimensional paradigms.

This is why you and I and the rest of Awakening Humanity are being Called to redouble our Lightwork during this critical time. Our Light is needed in order to assist with this vital phase of Mother Earth's unfolding Divine Plan. We are powerful beyond our knowing and when we focus our attention and our Divine Intentions on the Light and on Cocreating the patterns of perfection for the New Earth miracles happen.

After the Birth of the new decade in January 2020 and the Global forced timeout we began experiencing immediately afterward, the Company of Heaven encouraged us to PAY ATTENTION. They said we were entering the most intensified shift of Consciousness that had ever been attempted in any system of Worlds and that nothing on this Planet would ever be the same. That was not a threat. That was a revelation intended to let Humanity know that the Cosmic Moment had arrived and that as the Hopi prophesy states, “*We are the Ones we have been waiting for.*”

As usual, through our thoughts, feelings, words and actions Humanity is Cocreating this phase of Earth’s Ascension process. The Company of Heaven will respond to our Heart’s Call and intervene in alignment with our individual and collective Divine Plans. However, they will not do this for us or interfere with our free will choices. The Beings of Light cannot reveal the specifics of just how the dismantling and the crumbling away of our old social structures will manifest during the remainder of 2021, but they affirm that we are in the midst of this accelerated process now. Some of the major changes will be obvious, but *many* of them are occurring under the radar in more subtle ways.

The most powerful thing Lightworkers can do to assist with the dismantling phase of this Divine Plan is to blaze the Violet Flame in, through and around all of the crumbling obsolete paradigms and ask that the Will of God and the Immaculate Concept for this phase of Earth’s Ascension process be God Victoriously accomplished in Perfect Divine Order.

The next vitally important thing Lightworkers are being Called to do is to focus our attention and our Divine Intentions on Cocreating the patterns of perfection for the New Earth. There are brand new and exponentially empowered patterns for the New Earth that are now being released into the Mental and Emotional Strata of Mother Earth. These patterns are encoded in the NEW contingency plan pulsating in the 5<sup>th</sup>-Dimensional Record Keeper Crystals that were recently placed in Mother Earth’s Crystal Grid System by the Mighty Elohim.

We are being told by the Company of Heaven that the level of resplendent Light contained in these new patterns will only be perceived on a conscious level by Awakening Humanity **IF** we are able to reach ever higher into the frequencies of Unity Consciousness now present in every Heart Flame. Assisting Awakening Humanity to reach this level of Unity Consciousness is the Divine Mission we are ALL being Called to assist with during the remaining weeks of 2021.

During the 40-day period from November 11<sup>th</sup> through the Solstice on December 20-21, 2021, we will experience several powerful influxes of Light from both Celestial and Global events. These events will provide a tremendous opportunity for Lightworkers around the World to greatly enhance our unique individual and collective facets of this awe inspiring Divine Plan. The Company of Heaven will guide us step by step through these influxes of Light. We at *Era of Peace* will share this information through our Weekly Vlogs which you can sign up to receive for FREE on our website [www.eraofpeace.org](http://www.eraofpeace.org).

At this time, the Beings of Light want to remind us that we ALL have been preparing for this Cosmic Moment for myriad Lifetimes. We have everything we need to succeed in accomplishing our own unique facet of the Divine Plan pulsating within the Divinity of our newly restored Immortal Victorious Threefold Heart Flame. All we have to do is go within to the Divinity of our Heart and ask our I AM Presence to guide us through this process. Then, in a state of Listening Grace, our I AM Presence will respond to our request through our Intuitive Inner Knowing.

The first step of this 40-day process begins with the influx of Light that occurs every year on November 11<sup>th</sup>, 11:11. Eleven is the master number that reflects THE TRANSFIGURATION FROM THE PHYSICAL INTO THE DIVINE. Every man, woman, and child embodied on Earth has the sacred geometry of 11 and 11:11 and 11:11:11 encoded within the Divine Potential of our RNA and DNA structures. These codes are activated by our I AM Presence when we move through various phases of our Ascension process. On November 11, 2021, our I AM Presence will activate these genetic codes in NEW and profound ways. This will accelerate the Divine Alchemy of Humanity's Transfiguration from carbon-based planetary Beings into 5<sup>th</sup>-Dimensional Crystalline-based Solar Light Beings.

On November 19<sup>th</sup> we will be blessed with a Full Moon partial Lunar Eclipse and on December 3<sup>rd</sup> we will be blessed with a New Moon Total Solar Eclipse. The Company of Heaven has revealed that with the integration of every person's I AM Presence, the full restoration of our Threefold Heart Flame and the Presence of Unity Consciousness now secured in our Heart, we will be able to receive higher frequencies of the Twelve 5<sup>th</sup>-Dimensional Crystalline Solar Aspects of Deity during this powerful Eclipse Series than ever before.

There will be other opportunities to add to the Light of the World during this 40-day period as well, so stay focused on the Light and pay attention. This will be a unique process for each of us depending on where we are in our Divine Alchemy. Listen to your Heart and respond according to your Intuitive Inner Guidance. Your I AM Presence and your Body Elemental will help you to receive the most benefit from all of these opportunities. Day by day throughout this 40-day acceleration and purging process, your I AM Presence will Intuitively Guide you as you fulfill your individual facet of this Divine Plan by being the Open Door for the Light of God.

KNOW that instead of fear or concern, our Heart-based response to the opportunities at hand will result in elation and abounding Joy.

God Bless You,  
Patricia Cota-Robles
